Jane Ryan Koler, P.L.L.C.

Honorable Jay Roof  
Kitsap County Superior Court  
614 Division Street  
Port Orchard WA 98366

Dear Judge Roof:

I have observed the City of Bremerton's efforts to "clean up" the Sesko's property on Pennsylvania Ave and Arsenal Way in Bremerton.

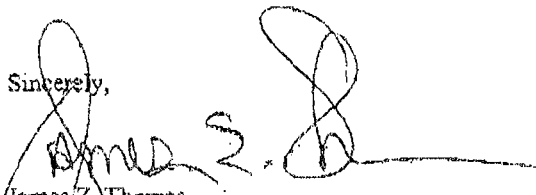

I ask that you allow the Sesko's to develop their property as per the zoning law permits.

Your Honor, I believe that the Sesko's have been loyal to this country and to this community; I also, believe that the City of Bremerton has unfairly treated the Sesko's as citizens of this county and community. If the City of Bremerton is dedicated to removal of "junk" from properties in the city, there's much work to be done.

It is apparent to me that the Sesko's are being put in the spotlight without their consent by the City of Bremerton, and used as an example "don't mess with us." Why else would it take 5 people from the City of Bremerton to exercise such a plan against two citizens, a family, taxpayers, voters, and community members? The Sesko's, only want to be treated fairly, as a member of society, and as citizens of the Bremerton community.

Your Honor, in your decision, I ask and encourage that you "give something back" to your community, that which belongs to the voters, taxpayers, and loyal citizens, of this great country, state and community.

Sincerely,

James Z. Thomas
